Joshua Owens

I am a very ambitious up and coming programmer looking to advance my skills in web development. I know I have a lot to learn but that is probably the most exciting part to me. My goal is to become a full-stack JavaScript developer with an expansive understandings of multiple languages.

Skills

- | | |
|---|--|
| <ul style="list-style-type: none">• Good understanding of JavaScript, React, jQuery, CSS, and Fetch• Fair understanding of AJAX, and NPM | <ul style="list-style-type: none">• Basic understanding of Redux, Node and Express, bootstrap, and Git• Adequate ability with photoshop |
|---|--|

Experience

8/25/2015 – 9/4/2016

Cabinetry / [Encore inc., N/A]

Designing, building, and installing of cabinets

11/12/2016 – 1/10/2018
